PROFESSIONAL SUMMARY

As a third-year Computer Engineering student, I am eager to develop a comprehensive technical skill set. With a solid foundation in software development, data analysis, and system management, I combine both theoretical knowledge and practical experience. Open to continuous learning and adapting to new technologies, I aim to create innovative solutions and build a successful career in the industry.

WORK HISTORY

Junior Freelance Developer - 2020-2024

As a freelance developer, I created custom websites and applications for various companies. I understood client needs and used front-end and back-end technologies to deliver user-friendly and secure software. My project management skills ensured timely delivery and client satisfaction. These experiences enhanced my problem-solving and teamwork abilities.

SKILLS

Programming Languages: Swift , Java, C#, C/C++
Web Development: HTML, CSS
Databases: SQL
Development Tools: Xcode , Git, GitHub, VS Code, IntelliJ IDEA, Anaconda, Rider
Problem Solving: Analyzing complex issues and creating effective solutions
Communication: Effectively communicating with technical and non-technical groups
Teamwork: Collaborating with diverse disciplines and working in team projects
The ability to quickly learn and apply new concepts in a fast-changing tech environment.

EDUCATION

Gazi University - 08/2020 - 06/2025
19 Mayıs Anatolian High School - 2015-2019

LANGUAGES

English - Intermediate
Turkish - Native

HOBBIES AND INTERESTS

I have a passion for music and play the guitar. Traveling, discovering new places, and learning about different cultures are important aspects of my life. I also enjoy reading books and hiking in nature. My interest in technology keeps me motivated to continuously develop my skills in this field.

CERTIFICATIONS AND LICENSES

Akbank Academy
Udemy
BTK Academy
LinkedIn Learning
